

Discover Mindfulness *Human Systems* *Engagement Project*

April McClellan, B.A., B.Ed.

Concordia University, MA in Human Systems Intervention

March 1, 2014

Initial Observations....

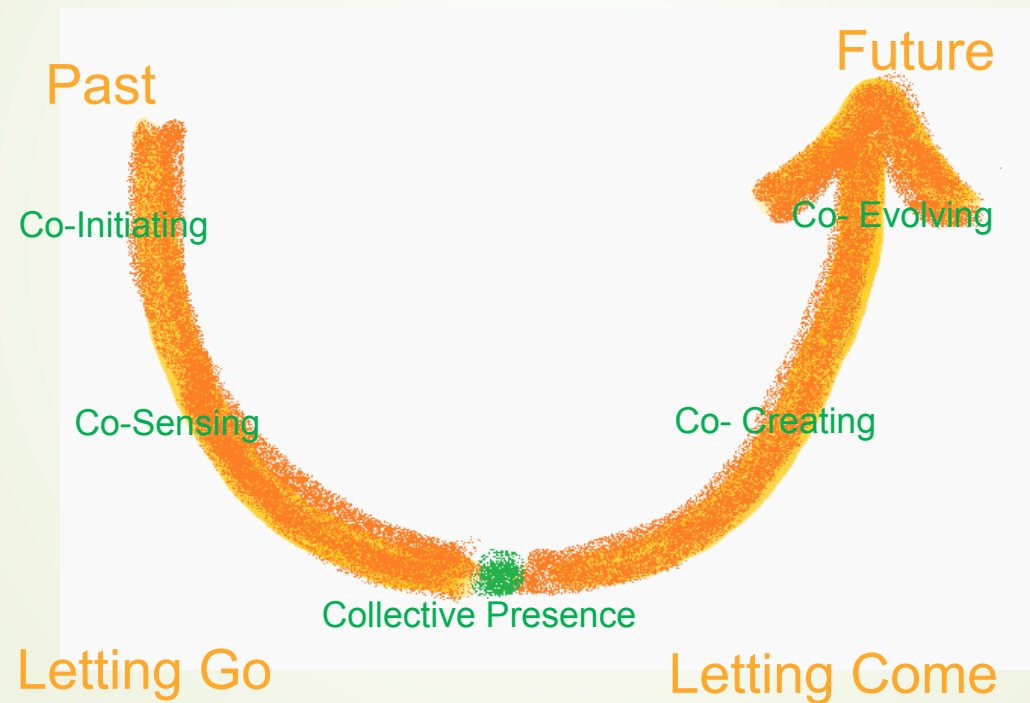

Members seem:

- ▶ **Unified** by DM's purpose of bringing mindfulness to schools
- ▶ **Inspired** by DM's leadership team
- ▶ **Motivated and Waiting** for opportunities to contribute
- ▶ **Need clarity** around **how, when and where to act** to achieve DM's vision and mission

Initial Thoughts on Engagement in DM...

Mindfully Discovering the Future of Engagement

Project Framework

- **Invitation to join** Project Team March 1st
- Project time line **March – May, 2014**
- **2 -3 meetings** of 2 hours each
- Facilitated Inquiry into the **Current** and **Future** State of **Engagement in DM**
- Facilitated **Mindfulness-based Change process** to discover the future of Engagement in DM
